## Newsletter November/December 2022

### From the President's Desk,

Hello members and welcome to the final newsletter as the year draws to a close. We still have a number of activities happening across November and hope you will continue to enjoy them. Wasn't the coach tour to Orange for the Wedding Singer wonderful? As always, Hennocks Bus Lines got us there and back comfortably and safely. We also had a group celebrating a birthday.

The weather and the horrendous flooding is impacting many of our friends and families and I hope that you as members are able to keep yourselves and your loved ones warm and dry.

You will have learned by now that the community of Forbes is wonderful in coming together to help and support.

We all have Christmas to look forward to and hope that you will be able to spend it with those closest to you.

Please see the below mentioned calendar of events for the rest of the year, and we would like you to seriously consider nominating to join our committee **at the annual general meeting on December 13 in the Uniting Church Hall.** We're a great bunch of people, open to ideas and easy to work with.

Stay warm, stay safe, stay curious.

Barb
